

COVID-19 Economic Relief Package Information

The Coronavirus Aid, Relief, and Economic Security (CARES) Act passed by the legislature and signed into law on March 27, 2020, includes emergency relief measures for small businesses with the Paycheck Protection Program (PPP). The COVID-19 Economic Relief Package approved in December 2020 included a second round of PPP Funds.

This program is available for many small to medium-sized businesses in our community and with guidance provided by the Small Business Administration (SBA). We are accepting applications for customers and non-customers. Loan eligibility requirements have changed for borrowers seeking a second loan.
